

On-Demand

Improving Program Management in Government

Enhance program effectiveness by addressing common operational hurdles through evidence-based program evaluation.

As a program manager, identifying and understanding these challenges is crucial for driving innovation and achieving improved outcomes. Equip yourself with the tools to detect, analyze, and mitigate issues, leveraging evidence to inform strategic decisions and optimize program performance.

Course Objectives

- Establish a structured program evaluation process through a five-step approach, enhancing effectiveness by planning, preparing, and scheduling reviews.
- Assess program performance against ten key performance indicators within a performance management maturity model, identifying areas for improvement.
- Strengthen program management capacity by applying evidence-based evaluation techniques, ensuring alignment with program objectives and funding mandates.
- Gain insights into conducting evidence-based program reviews, understanding criteria, acquiring necessary skills, and preparing effectively for comprehensive evaluations.

Program Benefits

✓ Get your training via Flexible Learning Options

Explore our performance-focused training and certification paths in virtual-live, on-demand, or in-person settings. No matter your chosen format, engage with peers, join focused sessions, and more.

✓ Develop a Comprehensive Skill Set for Your Desired Area

Our programs cover strategy, planning, and execution. With over 20 years in the public sector, we guarantee your team excels in decision-making and gains sector-specific expertise.

✓ Deliver Efficient Solutions for Your Agency

Elevate your performance management capabilities to enhance project efficiencies and provide performance-based solutions to citizens.

Bring Performance Institute Training and Certification On-Site to Your Organization

Empower your team with the Certified Government Performance Manager (CGPM) program from The Performance Institute. Gain the expertise to lead performance management initiatives within your organization effectively.

Our program offers two certification options: **a standard certificate with a brief examination and an advanced certificate involving a capstone project. With the advanced certificate, you'll tackle a real-world project from your agency, applying course concepts and receiving expert feedback.**

Upon certification completion, you'll earn both professional distinction and academic credit. The Performance Institute is accredited by the National Association of State Boards of Accountancy (NASBA).

Customize the CGPM program to meet your organization's unique needs. On-site training for groups of seven to 30 ensures optimal utilization of your training budget. Our subject matter experts will collaborate with you to identify specific organizational requirements and tailor the training accordingly.

Interactive exercises based on real-life examples from your organization foster an engaging learning environment while delivering immediate ROI on your training investment. Address specific challenges and align session curricula with your objectives seamlessly.

For more information on bringing Performance Institute Training on-site to your organization, **call 1-877-992-9521 or email info@performanceinstitute.org.**

Performance Institute is registered with NASBA as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have the final authority on course acceptance for CPE credit. Submit complaints regarding registered sponsors to the National Registry of CPE Sponsors via its website: www.learningmarket.org.
